Election/Restrictions

The restriction requirement as to the encompassed species is hereby withdrawn and claims 9, 10, 18, 20, 21, 25 and 26 are no longer withdrawn from consideration since all of the claims to this species depend from or otherwise include each of the limitations of an allowed claim which is generic to the species.

In view of the above noted withdrawal of the restriction requirement as to the linked species, applicant(s) are advised that if any claim(s) depending from or including all the limitations of the allowable generic linking claim(s) be presented in a continuation or divisional application, such claims may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 44 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.
